

## BASIC ACCOMMODATION LIST 2012

**Please note: Once you're travelling on the Stray bus your guide will organise your accommodation at each overnight stop.** You simply tell them your preference (twins, doubles, dorms ..) and they'll book it- you just pay as you go.

Please note: in peak season twins and double rooms may have limited availability.

All accommodation is at backpacker hostel rates (about \$25-30 per night for a dorm bed and \$60-80 for a double or twin room).
