Stray / strei / verb

1. to wander from the path, leave the common course or place, to roam, to go beyond the limits.
The Stray Experience

Go further off the beaten track

Our mission is to take you further off the beaten track and immerse you in places and experiences that will blow you away. We also make the most of every journey with great stops and inclusions along the way; a walk to a waterfall, checking out an important monument or saying hello to some friendly wildlife.

Meet awesome people

Meet like-minded travellers and make lifelong friendships. Stray attracts adventurous people who jump on the bus with an open mind and a burning desire to explore (our secret ingredient for an awesome trip!).

More National Parks, more UNESCO World Heritage Sites

We’ll take you closer to the action! National Parks and UNESCO World Heritage Sites are our jam and we try to visit as many of these environmental and cultural gems as possible. Whether it’s exploring an abandoned citadel complex in Vietnam, or heading off on a koala spotting hike in Australia, you’re guaranteed to see more and do more.

See amazing places

Discover some incredible places you’re unlikely to find in a guidebook, that the average tourist will never see. These destinations (marked with a heart icon on the maps) are our iconic ‘Strademark’ Places, the places that you won’t forget.

No worries!

We’re with you every step of the way to make sure you have the adventure of a lifetime. Your Stray Guide is the type of person you want to be travelling with. Not only are they friendly and fun, they are your personal walking guidebook with extensive local knowledge of the best things to see and do and if you need advice or support, they’re there to help.

Travel with purpose

We believe travel can make a difference on a global scale. We operate a sustainable travel network and we’re passionate about protecting our natural environment, enhancing local communities, looking out for animal welfare and ensuring that you finish your Stray adventure full of amazing memories and are inspired to make the world a better place.

Get amongst local culture

Experience the best of what the locals have to offer. Scoop up sticky rice at the night markets in Asia. Learn to surf with the pros at Spot X in Australia. Play Māori stick games before enjoying a traditional Hangi feast in New Zealand. Your Stray Guide will make it easy for you to get involved.

Your time, your way

You’re in charge – choose your adventure! Want all the details sorted for you? We’ve got you covered with our Stray Journeys. Want it all sorted plus flexibility? No problem, our Freestyle Tours are what you are after. Prefer deciding as you go, better pick a Freestyle Pass then! Blue Duck Station

**Featured Strademark Place**

Blue Duck Station is one of Stray’s top-rated destinations and you’ll soon see why. This remote, high country station is an outdoor enthusiast’s playground and an award-winning conservation leader, set in the most beautiful, untouched location imaginable.

Take a kayak out on the river and discover hidden glades, through narrow canyons, the favourite hideout of endangered Blue Ducks. Or don your cowboy hat and explore the station on horseback. Take an ATV tour of the station and soak up the incredible 360-degree views from the Top of the World – a spot where you can see the North Island’s three most impressive volcanoes poking above the clouds. Hike to discover a gorgeous waterfall, or assist with the farm’s pest control efforts and bring back dinner.

Enjoy an evening around the bonfire and some first-class stargazing, as the lack of light pollution makes the Milky Way dazzle!

**Optional Activities**

- Eco-warrior 4WD ATV tour
- Horse trek (half day)
- Claybird shooting
- Kayaking
- Jet boating
- Guided conservation hunt

**Lake Aniwhenua**

**Featured Strademark Place**

Lake Aniwhenua is one of the most special places we Stray to. Venture into the remote heartland of the Central North Island to a charming lakeside lodge. Meet your local Māori hosts, whose vision is to create a better future for the local people and introduce you to real, modern day Māori culture.

The experience starts with a guided walk down a hidden track to a sacred archaeological site. Hear tales of the region’s fascinating history and learn to play Māori games. Watch your hosts prepare dinner: a traditional hangi feast, cooked under the ground! Enjoy a drink at the Taniwha Bar and gather around the outdoor fireplace to hear the stories of early New Zealand settlement.

The next morning you’ll have the chance to get involved in an inspiring community project that brightens the lives of local school children. Deliver food parcels from last night’s delicious hangi to the school and spend some time in the classroom with the children, to help them learn about the world (during school term only).

**Includes**

- 1 night's accommodation in comfortable lodge cabins, linen provided
- Hangi feast (dinner), dessert & a continental breakfast
- Māori Guide - sacred archaeological site & storytelling
- Hangi cooking demonstration
- Traditional Māori stick games
- Participation in a local community program (school term only)

**Optional Activities**

- Learn how to perform the mighty Haka, or try traditional flax weaving

---

"Lake Aniwhenua is totally off the beaten track. The family who run it are so welcoming and fun. They teach you all about Māori culture and the feast they make is out of this world amazing! Taking the leftovers to the kids in the town the next morning was an opportunity to get to know New Zealand through the eyes of the future."

How we Stray Australia

We mix up the transport to best suit the Australian conditions.

Sydney to Rainbow Beach
Private Bus (24-40 seat coaches) | Driver Guides

We travel ‘road-trip’ style on our own comfortable, private buses. Your driver is the guide, playing cool tunes, and making plenty of stops along the way to explore. On our Northbound route you’ll taste wine in Hunter Valley, visit a Koala Hospital, cool off in the Angourie Blue Pools and check out an iconic kangaroo hangout. We get off the beaten track to our Strademark Stops: Barrington Tops, River Retreat and Spot X.

Rainbow Beach to Cairns
Fast Comfortable Trains | In-Location Guides

Between Rainbow and Cairns we travel via fast trains to best cover the long stretches in Queensland comfortably. Relax in reclining leather seats, watch movies, enjoy a beer in the dining carriage while playing cards with mates, or freshen up with a shower. When you arrive your In-Location Guide will meet you and fill you in on what’s on offer! They will take you on the best hikes, show you the wildlife, introduce you to the local spots and get you special deals. We also travel on the Magnetic Island ferry and take local bus transfers.
