HOW FREESTYLE WORKS

Choose your pass
Ask yourself:
How much time do you have?
What parts of NZ do you want to travel?

Lots of departures
We have a minimum of 3 departures per week May-Sep and 5+ during peak season.

Where you sleep
You’ll have a dorm bed reserved for you at every Stray stop. Simply book and pay using your STRAY MATE app either in advance or as you go. Private upgrades are subject to availability.

Who’s on board?
It’s an adventurous crowd with a common objective to have a great time exploring New Zealand!
The minimum age is 7 years. 7-17 years olds must travel with a legal guardian. We have no maximum as we believe ‘age is a state of mind’.

Where you’ll go
Further off the beaten track! We stay in or near 7+ national parks. While we include the iconic ‘hot spots’, it’s our Strademark Places (page 9) that you’ll remember us for...

150+ activities on offer
Get great advice on the best activities on offer either from your Driver Guide or via the STRAY MATE app. Pay as-you-go so you only pay for the activities you really want to do.

Hop-off anywhere
You can hop-off as often as you like with passes valid for 12 months.

ON STAND-BY?
Not to worry, being freestyle we find that seats free up and 95% of travellers get to travel on their preferred travel date.

Travel for up to 12 months!
With 12 months validity you can stop to work and play along the way. Loved the trip? Then do it again, with most sectors available for re-travel*.

*Re-travel excludes ‘Christchurch to Greymouth’ and all sectors north of Auckland.
