

Stray New Zealand 2019-20 Accommodation List

Updated: October 2019

This is a list of the preferred accommodations that can be booked through your Stray Mate App. We guarantee a dorm share bed but will try our best to get you a twin or double room if you request one.

All accommodation is at backpacker hostel rates:

- Approximately \$27-\$37NZD per night for a dorm bed
- \$60-\$100NZD for a double or twin room
- \$89NZD for our all-inclusive cultural stay in Lake Aniwhenua

To book: Login to your Stray Mate App and select the destination where you want to stay. Choose your hostel, dates and room type, and then book using your credit card. If you can't do this for any reason, chat to your driver and they can assist you.

Please note: We guarantee a dorm bed for everyone on the bus. In peak season (Nov - Mar) twin and double rooms may have limited availability.
