Due to how Stray's timetable works, travelers may have an additional night in certain places which will need to be booked and paid for in addition to the nights included in their tour. If travellers choose to hop-off and extend their stay in any location, all additional accommodation, meals and activities are at their own expense. In peak periods (e.g. Christmas/New Year's Eve, Easter, School Holidays) some accommodation may be subject to an additional surcharge or minimum number of nights.
